SUMMARY

Construction Project Manager and Civil Engineer with **20+ years of accumulated industry exposure in the hardware, plumbing and hydraulics distribution market** — built through a family-owned construction-materials business (Demaco) and 15+ years of executive-level operations, procurement and project delivery. Direct command of the technical specifications, brand equivalences and cross-border sourcing economics for PVC, CPVC, HDPE, PPR, cast-iron, copper and galvanized-iron piping systems, valves, fittings, fixtures, electrical, and general hardware. Track record of on-time and on-budget delivery on US\$ 1M+ construction projects. Dual citizenship (Brazil and Ecuador).

SKILLS

Construction and Project Management: Civil Engineering (BSCE, FIU), Certified Construction Manager, PMI / PMBOK, MS Project, Primavera P6, Earned Value, RFI / Change Order Management

Design and Documentation: AutoCAD, SketchUp, Bluebeam, architectural and structural plan review, quantity takeoffs, permitting workflows

Product and Vendor Expertise: Hardware, plumbing, hydraulics, electrical, coatings, tile, cement, aggregates, tools, safety equipment

Hydraulics Brand Command: Plastigama, ERA, Plastidor, Pacifico, TubYTEK, Damiplast, Amanco, Rotoplas — full technical-spec and cross-brand equivalence knowledge

Cross-Border Sourcing: China, Brazil, United States, Ecuador — house-brand launches, container consolidation, FOB / CIF, import cost allocation, Avalara / Vertex compliance

Cost Control and Procurement: Bid evaluation, subcontractor negotiation, purchase orders, backorder management, invoice reconciliation

Languages: English, Spanish, Portuguese (Native / Bilingual), French (Professional Working)

EXPERIENCE

Construction Project Manager, Construbonanza S.A. — Guayaquil, Ecuador July 2020 – Present
(Self-employed)

- Manage concurrent portfolios of residential and commercial construction projects for resale — scope, cost, quality, safety, and risk on multiple projects simultaneously
- Administer US\$ 1M+ construction budgets, subcontractor bids, contractor performance, permitting, and quality inspections from pre-construction through final walk-through
- Coordinate architects, structural engineers, MEP contractors, and specialty trades — deep familiarity with the local supplier network for hardware, hydraulics, electrical, and finishing materials
- Prepare quantity takeoffs, spec-sheet packages, and material lists using AutoCAD and SketchUp — leverage 20+ years of product knowledge to specify by function and cross-brand equivalence rather than single-vendor lock-in
- Apply MS Project and Primavera P6 for scheduling, resource loading, and earned-value tracking across concurrent builds
- Selected deliveries: 3 residential builds for resale, 3 retail-branch remodels on the Demaco hardware and hydraulics network, and yard build-outs for logistics facilities

Technologies: MS Project, Primavera P6, AutoCAD, SketchUp, Bluebeam

Director of Operations and Category Lead, Demaco Cia Ltda — Guayaquil, Ecuador Oct 2021 – Present

- Own operations and category strategy for a US\$ 35M+ hardware and hydraulics distribution business — 250 employees, 9 branches, 1 CDI, 2 cross-docks, 20-truck fleet across Ecuador
- Direct oversight of purchasing, category management, and product-catalog decisions across hardware, plumbing, hydraulics, electrical, and general construction supplies
- Launched house-brand product lines through supplier partnerships in China, Brazil, and the United States — product coding, technical specifications, container consolidation, tax and import cost allocation
- Built a self-hosted RAG database over 5,000+ SKUs that codifies technical specs, brand equivalences, warranty policies, and application use-cases for the field-sales and technical-service teams
- Coordinated 40+ vendor relationships including Plastigama, ERA, Plastidor, Pacifico, TubYTEK, Damiplast, and other regional brands — pricing, rebates, COOP marketing budgets (US\$ 20K+/month), and training programs

Technologies: JD Edwards E1, Tableau, Claude Code, RAG, Bitrix24, Drivin TMS

JD Edwards E1 Project Manager and Category Systems Lead, Demaco Cia Ltda — Guayaquil, Ecuador Jan 2015 – July 2020

- Led the first Tier-1 ERP implementation for the distribution business — JD Edwards E1 9.1 across Financials, Procurement, Inventory, Sales Order, and Advanced WMS
- Designed the item-master and pricing catalog for 5,000+ hardware and hydraulics SKUs — brand hierarchy, family / subfamily nomenclature, technical attributes, and cross-brand equivalence tables
- Delivered go-live on time, on budget, and 40% below market cost — 250+ users trained in 6 locations
- Rolled out Drivin TMS, Tableau BI, POS integration, and Bitrix24 CRM plus Inalambrik mobile sales app for 50+ B2B field sales reps
- Designed and construction-managed a 5,000+ m² centralized distribution center — US\$ 1M+ construction budget, 4 loading and 4 unloading docks, WMS / TMS RFI documentation

Technologies: MS Project, JD Edwards E1 9.1, Drivin TMS, Tableau, Bitrix24, AutoCAD, SketchUp

Realtor and Property Manager, Interinvestments Realty and Personal Portfolio — Miami, FL Mar 2010 – July 2013

- Managed a personal 15-property U.S. investment portfolio — acquisition, remodel, tenant placement, and eventual resale
- Executed full-cycle property renovations — scoping, contractor bids, material takeoffs, budget control, quality inspections, and pre-listing staging
- Coordinated compliance workflows including HOA rules, municipal permits, code inspections, and Florida real estate contracts

Technologies: Local subcontractor networks, permit tracking, budget control

EDUCATION

Bachelor of Science in Civil Engineering (Water Resources), Florida International University — Miami, FL Aug 2012

Master in Finance and Business Administration, Universidad de Nebrija — Madrid, Spain Expected 2027

CERTIFICATIONS AND COURSEWORK

Certifications: Certified Construction Manager | Google Project Management Certificate | Google Data Analytics Certificate | Claude 101 — Anthropic (May 2026)

Coursework: PMI Certification Prep | Lean Six Sigma Prep (Green and Black Belt) | Supply Chain Automation and Integration
